

A stylized graphic of a cardinal bird, rendered in white against a dark red background. The bird is shown in profile, facing left, with its head turned slightly. It has a large, prominent red crest on its head. Its body is composed of several sharp, angular white shapes that create a geometric, almost abstract appearance. The tail is a single, long, sharp white triangle pointing downwards. The eye is a simple white circle with a black dot in the center.

In the fall of the new school year, the students of Humboldt High School witnessed a change in the naming of Homecoming King, Queen and attendants.

The day before the coronation ceremonies, the students cast their ballots for the Athletic Royalty. The members of the football squad and Pep Club were listed on the ballots. The identity of the Royalty was not revealed until October 2, when L. E. Watson crowned King Steve Hartung and Queen Jane Drake, and announced their attendants.

The King and Queen reigned over a dance sponsored by the Student Council after the game.
